

Verus Instruments Ltd 2024 Price List

Moisture Meters, Checkboxes and Accessories

(All prices excl. VAT)

Protimeter LED Mini V5034	Moisture meter with high range for wet timber, accurate 10-30%, display by light emitting diodes (LED), single European redwood range, <i>resistance type</i> with built-in pins with 13mm spacing, separate Light Duty Hand Probe & soft case supplied	£164
Protimeter Digital Mini V5035	Moisture meter with clear backlit digital display set to European redwood scale, extended wet range, built-in measuring pins 13mm spacing, complete with case & Light Duty Hand Probe	£189
Protimeter Timbermaster	Moisture meter with clear backlit digital display set to European redwood scale, extended wet range, built-in measuring pins 13mm spacing, complete with case. Three options available:-	
V5038a	Includes light duty Hand Probe	£279
V5038b	Includes heavy duty Hand Probe	£299
V5038c	Includes heavy duty Hand Probe and Temperature Sensor	£339
Verus Checkbox II V5002	Calibrates all above moisture meters & any with probe spacing of 12.5, 13 or 25mm, checks accuracy at 14, 17.3 & 27%, weighs only 30g and includes free traceable ISO 9000 Calibration certificate	£170
Verus Checkbox IIIu V5006	Calibrates all Minis, Timbermasters and Surveymaster moisture meters with integral, hand, hammer or deep wall probes & any make of meter with probe spacings of 12, 13, 25, 31 or 32mm spacing. Has 3 Species group scales and 8 marked wood species and includes free traceable ISO 9000 Calibration certificate.	£249
Verus Traceable Calibration Certificates	for new Checkbox models at time of purchase for new Moisture meters at time of purchase for other makes & models of <i>used</i> Checkbox or pin-type meter	Free £105 £105
Accessories		
Protimeter HD hand probe V5042	25mm spacing of pins, this probe penetrates wood up to 8 mm deep, as supplied with items v5038b and v5038c, also fits Minis	£40
Protimeter HD Hammer probe V5041	All metal, heavy duty electrode designed to be used with all pin-type <i>Protimeter</i> moisture meters listed for the sub-surface measurement of moisture in wood. Price includes 4 pins.	£224

Protimeter HD Hammer probe replacement pins V5049	Pack of 10 insulated shank pins 65mm long for the Heavy Duty Hammer Probe V5041	£75
Protimeter Hand probe replacement pins V5051	Pack of 20 pins, 25mm long, including 2 domed retaining collets for Minis, Timbermasters, Surveymasters & Heavy Duty hand probes	£60
Protimeter Old style Hammer probe replacement pins V5050	Pack of 10 insulated shank replacement pins for discontinued <i>Protimeter</i> BLD5000 Hammer Probe	£65
Protimeter Temperature Sensor V5047	The <i>Protimeter</i> Temperature Sensor facilitates automatic correction of moisture content in wood with the Timbermaster when readings are taken at high or low temperatures	£99
Protimeter Deep Wall Probe 130mm V5046	Moisture meter probe to measure moisture at depth within walls and other object/structures (130mm long)	£55
Protimeter Deep Wall Probe 360mm V5061	Long moisture meter probe to measure moisture at depth within walls and other object/structures (360mm long)	£70

Postage £14.50 UK delivery for all meters
 £17.50 UK delivery for hammer probe
 £22.50 UK delivery for two hammer probes
